FERAL PIG
ACTION PLAN**

NATIONAL STAKEHOLDER FORUM

MONDAY 5 JULY 2021

NATIONAL BIRAL FTR ACTION PLAN

Maningrida Learning on Country program

Alex “Batman” Ernst, NT Schools

AHC31416 - Certificate III in Conservation and Land Management

AHCPMG307 Apply animal trapping
techniques

Maningrida Learning on Country CSIRO pig research project

- Develop better methods for trapping feral pigs
- Different bait trials
- Trap locations
- Collar feral pigs to track behavior and locations

Sus Scrofa- Feral pigs Australia

Bait trials and location scouting

Camera traps deployed at various sights where pig damage is evident

Start trialling different baits (lures) to work out what works better.

Design research and build pig traps

Box trap design

Corral trap design

Box trap with saloon doors.

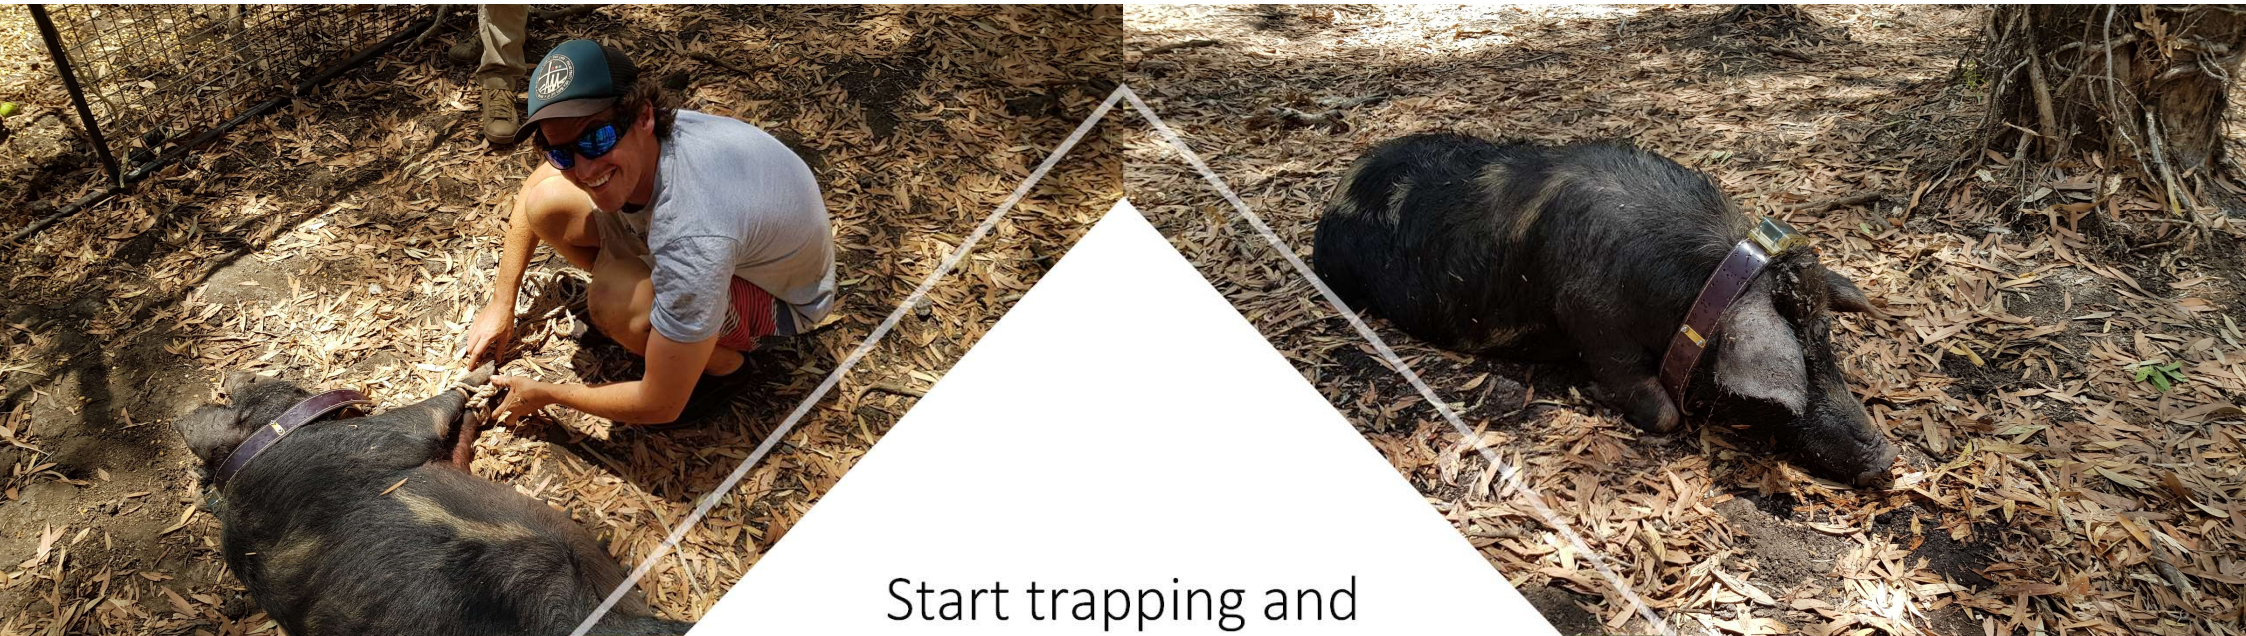

Swift

L0C7   085F 29°C 10/07/2020 17:11:35

Start trapping and
collaring.
