NFPAP Stakeholder evaluation survey out now

We are conducting a stakeholder survey to obtain feedback on our progress with implementing the National Feral Pig Action Plan 2021-2031.

[Access our stakeholder evaluation survey here](#)

Your feedback will be used to help determine how well our activities are supporting the Plan's delivery, our successes, areas needing further improvement, and the value of our program to you.

-  Participation in the survey is voluntary.
-  All responses are anonymous and no personally identifiable information will be collected.
-  This survey should take approximately 7 minutes to complete.
-  The survey closes on **Friday 20 December 2024**.

If you have any questions about the survey or the implementation of the National Feral Pig Action Plan, feel free to contact Heather Channon, National Feral Pig Management Coordinator on heather.channon@feralpigs.com.au or 0423 056 045.
